Our Termly Value: Generosity

*'Good will come to those who are generous and lend freely,
who conduct their affairs with justice' - Psalm 112:5*

We are now fully into our stride and it's as if we've never been away! Three weeks in and the children are working hard. Last week I was treated the wonderful smell blackberry and apple crumble wafting down the corridor and this week I have heard all about the amazing poetry day which has become a school tradition.

The children had the opportunity to share some of their work with me on Friday and it sounds like they had a great time.

We are very aware of the missed opportunities the children have had and we are doing our best, with the current restrictions, to make up for these where we can. Next week, we will be hosting the Pauntley Olympics which will be a day of fun filled sporting activities that include: archery, boccia, curling and much more. The children will work together to earn their team points and eventually we will be able to crown our Olympic champions

Tuesday 22nd September

Flu Immunisation will take place at 9:30am. Please make sure you have completed and return your consent forms. Thank you

Forest School Reminder

Please bring Forest School kit into school on Wednesdays. Next week (30th September) it will be Malvern's Class who will be doing Forest School.

Colder weather

As the weather gets colder please be reminded that children need wellies and waterproofs in school, clearly labelled. Please ask your child to check to see if their school wellies still fit!

Poetry Day

The annual Poetry day took place on Monday, and what a wonderful day it was. The children worked in multi-aged groups across the school, all working well together. This year they enjoyed the poem 'Life doesn't frighten me' by Maya Angelou. It is a simple, repetitive poem that is written from a child's perspective, the speaker going over things in her life that she has to overcome to move on. The poem suggests that there is a way to overcome fear.

Olympic Day – Thursday 24th September 2020

Children need to arrive in their PE kit with a hat and sun cream applied (if necessary – fingers crossed).

Topic Webs

The teachers have produced their usual topic webs that outline the curriculum coverage for this term. This

should give you an overview of the areas they will be covering and the themes they will be learning about. These are also available on the school website.

COVID Guidance Document

Attached is a revised version of the document that went out last week in line with government guidance.

PE Kits

Please ensure that children have the correct kit in school for PE/Games – A red or white polo shirt/t-shirt and grey/black/navy shorts/jogging bottoms.

Mr Larner
Headteacher
