

Covid-19 related pupil absence

A quick reference guide for parents and staff (September 2020)

What to do if...	Action Needed	Return to school when...
...my child has Covid-19 symptoms. - High temperature - New or continual cough - Loss of smell/taste	- Do not come to school - Contact school to inform us - Self-isolate the whole household - Get a test - Inform the school immediately about the test result	...the test comes back negative, return to school or when your child feels well enough to attend.
...my child tests positive for Covid-19.	- Do not come to school. - Contact school to inform us immediately. - Agree an earliest date for possible return (minimum of 10 days). - Self-isolate the whole household.	...10 days have passed since symptoms began, even if they still have a cough or loss of taste/smell. <i>(These symptoms can last for several weeks.)</i> AND the child feels well.
...my child has seasonal illness - cough/sore throat - running nose/cold	- Come to school. - Inform teacher its seasonal/start of term	...school will inform you if your child feels worse
...someone in my household has Covid-19 symptoms. - High temperature - New or continual cough - Loss of smell/taste	- Do not come to school. - Contact school to inform us. - Self-isolate the whole household. - Household member to get a test. - Inform school immediately about test result.	...the test comes back negative.
...someone in my household tests positive for Covid-19.	- Do not come to school. - Contact school to inform us. - Agree an earliest date for possible return (minimum of 14 days). - Self-isolate the whole household.	...the child has completed 14 days of isolation.
...NHS test and trace has identified my child as a close contact of somebody with symptoms or confirmed Covid-19.	- Do not come to school. - Contact school to inform us. - Agree an earliest date for possible return (minimum of 14 days).	...the child has completed 14 days of isolation.
...NHS test and trace has identified a household member (other than my child) as a close contact of somebody with symptoms or confirmed Covid-19.	- The household member must self-isolate for 14 days. - Child can continue to attend school.	...child can continue to attend school
... a sibling attending another school has been sent home to self-isolate due to their being a positive case in their school.	- Sibling must self-isolate for 14 days.	...child can continue to attend school
... my child has travelled abroad from a country or territory that is NOT on the exempt list of countries.	If returning from a destination where quarantine is needed*: - minimum of 14 days self-isolation for all those who travelled. - contact school to inform us you are back in the country and we will agree an earliest date for possible return to school. - Self-isolate the whole household. * Foreign, Commonwealth & Development Office (FCDO) – for up to date travel information	...the quarantine period of 14 days has been completed.
... my child has travelled abroad from a country or territory that IS on the exempt list of countries.	If returning from a destination where quarantine is NOT needed:	... you have informed the office of your return to the UK <i>(the office will ask you a few questions about your travel).</i>

	<ul style="list-style-type: none"> - Check the current Exempt countries and territories list to confirm the country you have travelled from or through is on the exempt list. - Ring school to inform us you have returned to the UK and agree a return date to school. 	
...I have travelled from a country that requires us to quarantine (but my child didn't travel).	<ul style="list-style-type: none"> - As long as you do not have / have not had symptoms in the last 14 days, your child can continue to attend school. - The person who has travelled MUST NOT leave the house, including to do pick-ups and drop offs (<i>please contact school if you need support getting your child to school</i>). 	...child can continue to attend school
...we have received medical advice that my child must resume shielding.	<ul style="list-style-type: none"> - Do not come to school. - Contact school to inform us. - Shield until you are informed that restrictions are lifted and shielding is paused again. 	<p>...school inform you that restrictions have been lifted and your child can return to school again.</p> <p>...you receive medical advice that your child may return to school.</p>
...my child's bubble is closed due to a Covid-19 outbreak in school.	<ul style="list-style-type: none"> - Child must not come to school. - Support your child at home with remote education provided by your school. - Your child will need to self-isolate for 14 days. - Other siblings may continue to attend school. 	...school inform you that the bubble will be reopened.
... I am unable to get a test for someone in the household who has symptoms	<i>If you are not able to get a test please contact the school for advice. Stay at home and self-isolate for 14 days. Anyone in your support bubble must also stay at home.</i>	...the child has completed 14 days of isolation or a test has been taken and results are negative
